Heartland Hospice Moose Jaw is Looking for Your Stories

MOOSE JAW, SK – Heartland Hospice Moose Jaw needs your help to build a case for Hospice Care in our community.

The not-for-profit group wants to hear from members of the community about their experience with Palliative Care. Specifically, the group is looking for an answer to the question: “How would having a hospice in Moose Jaw improve on what is already available in our community?” The answer to this question may include, confidentially, the following:

- What was missing in the care your loved one and your family received on the days and hours leading up to your loss?
- How would you have benefitted from Hospice Care, as opposed to Respite, Home, or Hospital care?
- What are some of the outcomes, feelings, and concerns that you still carry with you to this day?

Please share your story with Heartland Hospice Moose Jaw by email to david@heartlandhospice.ca or by mail to Box 334, Moose Jaw, SK, S6H 4N9.

Hospice Care takes place in an environment where the care approach is holistic and helps families face life-limiting illness with dignity and comfort surrounded by a circle of support. This care can take place in the home, hospital, or in a designated hospice facility. Heartland Hospice Moose Jaw is committed to providing compassionate, holistic care to those nearing the end of their physical life. The Heartland Hospice vision is to support, educate, and empower hospice clients and their families through networking, public and professional education, advocacy, and community involvement. More information can be found on the website at www.heartlandhospice.ca.

For more information, contact Amy Gieni at (306) 690-4047 or by email to media@heartlandhospice.ca.
